SECURITY GUARD SERVICES

We offer security services and solutions of all variations. From Manned Guarding to Concierge, to Site and Industrial Security to Keyholding and Mobile Patrol, we are one of the most highly rated and trusted security companies in the country, putting the safety of your company, property, site or person at the heart of what we do. Please see below for more information about our individual services.

MANNED STATIC & STATIC GUARDING

Here at Alpha Security, we ensure our manned guards are highly professional, and that a strong level of trust is built between the officer and the client. We believe manned guarding is one of the most important, high-profile types of security solutions as it provides highly effective safety and security.

Alpha Security operates under the BS7499:2013 Code of Practice for Static Guarding & Mobile Patrol and all staff undergo continuous program of professional development to ensure high standards are maintained.

CONCIERGE

We provide bespoke packages and multi-skilled, SIA licensed concierge staff. Our concierges are professional, trained security experts who provide executive, front of house security service to your company, obeying all company rules and wearing the suitable uniform.

They are friendly, reliable assets to your business that help to greet customers, clients and colleagues alike. We are an equal opportunities employer and our concierge staff are vetted to BS7858:2012. They are also First Aid trained and Fire Safety trained.

SITE AND INDUSTRIAL SECURITY

We provide site-specific security for construction and industrial land and property. This includes a number of site protection services, including the safeguarding of equipment, machinery and warehouse stock.

At Alpha Security, we are aware of the demands of securing your industrial premises, as well as how important it is to keep your expensive, and often times dangerous, machinery safe. It also requires a particularly technical security skill-sets, as our officers will identify weaknesses on the site and establish a secure perimeter.

KEYHOLDING AND MOBILE PATROL

Our trained and trusted keyholding security guards hold a key to your premises at a secure location. If a threat is identified then the guard will visit the threat and deal with it accordingly.

As an extension of CCTV, we can help secure and man your grounds by provided a mobile patrol service, that helps to deal with threats immediately on-site, and without the need for a third party. Our mobile patrol units are state of the art vehicles that are very visibly recognisable of our brand, diminishing and deterring the potential for threats to occur.

EVENT AND STADIUM

Alpha Security Group first began with Event and Stadium Security. As such, it is a specialist area of the industry for us. Our guards are specially trained in crowd management, and can offer protection for crowds of all sizes. For us, the safety of guests is paramount, as is the protection of the venue, and we aim to create a safe and secure environment for everyone involved.

Rigorous training and effective communications are the key to running large events with many attendees. We currently provide Safety Stewards and Front-Line SIA Guards to many football stadiums and one-off events across the region.

STADIUM MANAGEMENT AND SPORTING EVENTS

We are the biggest suppliers of sporting stewards and security in the North East of England. We provide security for crowds of all sizes, ensuring safety for every party involved. Keeping people safe and secure in a busy and lively environment is our number one priority, and we are well-trusted the region over.

CORPORATE & LOCAL AUTHORITY

Here at Alpha Security, we help councils and local authority to provide this duty of care, by assisting them in their duties in the most safe and secure way possible.

We are also accredited under LANTRA to provide Car Park, Traffic and pedestrian management design. We provide traffic management and stewards for stadium events, utilities and local authorities.

LICENSED & LEISURE

This is a key area for Alpha Security Group, with many years' experience of supplying Door Supervisors to the Licensed Industry. We are an equal opportunities employer and all of our SIA Licensed staff are vetted to BS7858:2012 level.

The company operates under the BS7960:2016 Door Supervision Code of Practice and all staff undergo continuous program of professional development to ensure high standards are maintained. Our goal is to keep your premises safe in an effective and professional manner, while ensuring your customers have a good time.

MUSIC & LIVE ENTERTAINMENT

Security for music and live entertainment events places a priority focus on the safety of both the spectators, the performers and everyone working at the event, making sure that there is a clear, safe distance between these three components. Events run smoothly because of the knowledge of our SIA-licensed guards, who are experienced in emergency planning and crowd control.
